Re: MUR 5970

Dear Mr. Jordan:

Please be advised that I serve as Staff Counsel for Citizens Consulting Inc. Recently, Citizens Consulting Inc. received a copy of a complaint filed against it with the Federal Elections Commission. Citizens Consulting Inc. is requesting an additional thirty (30) days to file a response demonstrating that no action should be taken against it regarding the allegations in the complaint numbered as MUR 5970. We are asking for additional time to respond because we were relocating from our old office to our new office when the complaint was delivered, and we were not prepared to submit a written response within the time delays outlined in the attached "Description of Preliminary Procedures for processing complaints filed with the Federal Elections Commission.

If you should have any questions, please do not hesitate to contact me.

Thanking you for your consideration in advance,

Sincerely,

Hollis Shepherd
